GB Auto is the exclusive Egyptian distributor for Bajaj three-wheelers and motorcycles, both of which remain strongly in demand...

## GB Auto offers a wide product range within this business segment

- The Motorcycles & Three-Wheelers line of business reported a 7.7% y-o-y decline in total sales revenue, on the back of a 12.0% drop in sales volumes. Gross profit, however, was 2.2% higher than 1Q15, with a gross profit margin of 19.5%.
- GB Auto's current facilities in Egypt are considered to be the first and largest motorized assembly line of production for Bajaj three-wheelers outside of India. GB Auto has finalized technical assistance agreements with Bajaj, who will provide engineering data and technical know-how and expertise pertaining to the making of the Boxer 150 and Auto-Rickshaw models. The company will begin building new component manufacturing hangers and purchasing machinery and equipment for new painting and welding shops, and is currently in negotiations over the location of the project.
- Management commenced sales of these popular vehicles in iraq and the market has shown a strong appetite for them. The company operates a
  small service center and spare-parts outlet in Baghdad and has also recently added a second service center and Bajaj showroom in the area of Al
  Najaf.

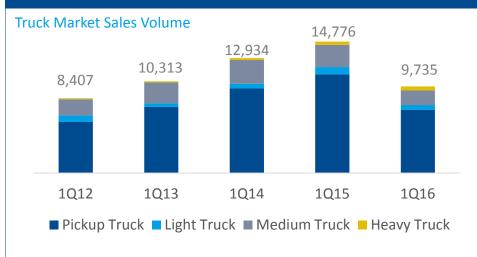

# ...and the Motorcycles & Three-Wheelers LOB continues to contribute significantly to GB Auto's top- and bottom-line.

Egypt's commercial vehicle market is recovering on the back of ongoing government spending on infrastructure investments and increased economic activity...

# An ongoing lack of economic clarity has dampened the light & medium trucks market

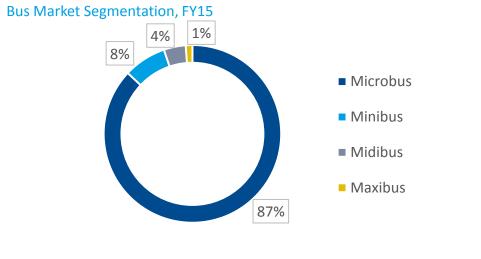

# The largest segment of the truck market, the pick-up truck, is absent from GB Auto's product range for now

...and GB Auto's CV & CE line of business offers a comprehensive range of commercial vehicle and construction equipment solutions in Egypt, including assembly, distribution and manufacturing operations.

BUSES	TRUCKS	TRAILERS	CONSTRUCTION	TRACTORS
<ul> <li>Unit sales of buses dropped 61.6% Y-o-Y in 1Q16, largely due to the high-base standing in 1Q15, during which GB had delivered 112 IVECO buses to the CTA.</li> <li>Management expects the company's robust order pipeline to boost the LOB's performance in coming months, as GB Auto prepares to deliver some 260 buses to Egypt's Transport Authority.</li> <li>The introduction of the Karry a seven-seater in 2015 closed a key gap in GB Auto's product portfolio.</li> </ul>	<ul> <li>Unit sales increased by 51.0% y-o-y, impacted by the increase in large-scale national projects and a renewed drive for logistical expansion.</li> <li>1Q16 saw FUSO and Volvo trucks perform exceptionally well and GB Auto is expecting to sign new tenders for Volvo construction vehicles within the coming months, as construction on national road projects resumes.</li> </ul>	<ul> <li>Unit sales of trailers decreased by 1.8% y-o-y during 1Q16. Although revenues also declined, management expects steady growth going forward.</li> <li>A focus on exports should be the next step.</li> </ul>	<ul> <li>Unit sales witnessed a drop of 27.5% y-o-y in 1Q16.</li> <li>Corporate and government spending continues to improve with ambitious infrastructure projects in the works as the overall economy begins to pick up.</li> <li>Management is exploring options to expand this segment in new markets in MENA.</li> </ul>	<ul> <li>Unit sales of tractors witnessed a decline this quarter, but forecasts see growth on the horizon.</li> <li>With the ongoing drive for the modernization of Egypt's agricultural sector, management expects to see tractor sales perform quite well going forward, especially as our microfinancing arm has begun funding tractor sales.</li> </ul>

This LOB continues to report strong performance at all divisions; management is confident that margins are sustainable at their current rates, and that this line of business will continue delivering growth

GB Auto's future strategy aims to create a full-fledged financial arm, and the Financing Business Line is contributing more to the company's overall profitability, driven by its diversified portfolio

- Established in 2008, GB
   Lease provides business to-business medium-term
   lease finance solutions to
   multinationals, top tier
   corporates, & SMEs.
- Focuses on risk
   diversification by asset
   class, industry sector &
   clients; asset base that
   covers all asset classes,
   including real estate,
   automotive, production
   lines, & others.
- Implements prudent risk management practices with regards to provisions and risk recognition.
- As a top tier active player in the market, GB Lease fully complies with all regulations and operates under the auspices of the EFSA.

- Mashroey began
   operations in March 2010
   & offers asset-based
   microfinance lending to
   eligible clients in the low income segment.
- Initial focus was on GB's
   Bajaj-branded three wheelers, but now the
   company has an extensive
   product base as it extends
   credit to finance the
   purchase of three wheelers, motorcycles (GB
   Auto product), tricycles
   (non-GB Auto), YTO
   tractors, minivans (GB
   Auto product) , and pre owned three-wheelers.
- Credit policy is stringent, portfolio tenor is predominantly short-term.
- Operates nationwide network of c.80 branches.

- DRIVE obtained its license
   as a factoring company in
   3Q12 & extends services to
   a diversified client base,
   ranging from business-to business (SMEs) to
   business-to-consumer
   (retail), including auto-loans
   to end-consumers.
- Maintains a well-developed portfolio, offers mediumterm tenors, & focuses on risk diversification by product type, client base, & brands (where auto loans are concerned).
- Operations are nonexclusive to GB Auto.
- Operates 2 branches in Cairo and Alexandria.
- Fully complies with all regulations and operates under the auspices of the EFSA.

- HTT Joined GB Capital in late 2012 & operates as a car rental company on a quasi-operational lease basis.
- It is Egypt's premier vehicle fleet leasing company & serves top-tier private sector companies, multinationals, & financial institutions.
- Average tenor of 3 years.
- Company service
   agreements entail vehicle
   acquisition, registration,
   maintenance, & insurance
   that extends to third-party
   damage & passengers.
- Other complementary services include fleet management reports.

- Launched in August 2015, Tasaheel extends direct microfinance lending to eligible clients, with a specific focus on group lending to women;
- It aims to help low-income earners generate higher returns to improve their living standards, which in turn supports overall community development & economic growth.
- At year-end 2015, the company had 16 branches & aims to establish a nationwide network of at least 100 branches by 2020.
- Tasaheel fully complies with all regulations and operates in accordance with EFSA regulations.
